Moycullen Community Development Association : Compiling our Community's Wish List

Moycullen Community Development Association (MCDA) has commissioned a Feasibility Study to confirm the community infrastructural needs of Moycullen. Part of this study involves collecting each household's opinions on community priorities. This is a key step in providing information to enable MCDA to direct its efforts to achieve support to make community facilities become a reality. **YOUR OPINION IS IMPORTANT.**

The following questionnaire has been compiled by MCDA, with contributions from Tullykyne Community Council, Tooreeny Community Committee, local sports organisations, Bus Éireann and others. Responses received will be compiled and feedback will be provided via Moycullen Matters magazine, community information events and the community website www.moycullen.net (a member of your household can register on the website to receive information via email)

The study has been funded by MCDA, Udaras na Gaeltachta, Galway County Council, Kyne's Super Valu and Bus Éireann. Please take the time to complete this questionnaire. It will take approximately 30 minutes. You may wish to divide this task over a number of days. Please also consult other residents of your household in answering questions.

Collection/Return of completed questionnaires : Please have the completed questionnaire ready for collection by an MCDA representative or return the completed questionnaire directly to the person from whom it was obtained. Thank you for your cooperation. It'll make a difference.

Cumann Forbartha Pobail Mhaigh Cuilinn :Ag cur mianta ár bpobal i dtoll a chéile

Tá Staidéar Féidearthachta coimisiúnaithe ag MCDA chun breathnú ar riachtanais infrastruchtúrtha pobail Pharóiste Mhaigh Cuilinn.

Tá an staidéar seo maoinithe ag MCDA, Údarás na Gaeltachta, Comhairle Chontae na Gaillimhe agus ag Bus Éireann.

Is cuid den staidéar sin eolas a bhailiú ó dhaoine iomlán an pharóiste faoi na tuairimí atá acu ó thaobh riachtanais an pharóiste de. Tá eolas ginearálta eile á lorg.

Is é an MCDA a chuir an ceistneoir seo i dtoll a chéile, i gcomhpháirt le CLG Mhaigh Cuilinn, Comhairle Phobail Thulaigh Mhic Aodháin, Coiste Pobail na dTuairíní, eagrais áitiúla spóirt agus le Bus Éireann. Pléifear le gach eolas ar bhonn dianrúndachta. Beidh na freagraí a ghlacfar curtha le chéile agus anailís déanta orthu agus cuirfear ar fáil don phobal iad trí imeachtaí poiblí faisnéise sa toadhchá. Ní bhainfear aon úsáid as freagraí ach amháin ar mhaithe le treochtaí a bhaineann le hábhair ar leith i bparóiste Mhaigh Cuilinn a thuiscint.

Más é do thoil é, tóg an t-am chun an ceistneoir seo a chomhlíonadh. Tugann sé deis go gach ball de phobal Mhaigh Cuilinn ionchur a dhéanamh maidir le riachtanais an cheantair a aithint. Is céim lárnach é chun na háiseanna seo a bheith ann i ndáiríre.

Bailiúchán de na ceistneoirí comhlíonta tá sé sin bunriachtanach chun an t-eolas go léir a tharraingt le chéile. Más é do thoil é, tabhair an ceistneoir comhlíonta ar ais díreach don duine óna bhfuair tú é nó bí réidh leis le bailiú uait ó ionadaí an MCDA. Go raibh maith agat as comhoibriú linn.

Irish Language usage in Moycullen / Úsáid na Gaeilge i Maigh Cuilinn:

As Moycullen is in the Gaeltacht, the use of Irish in the parish is of key interest and importance to many people of the parish and also to the state agencies supporting the future development of the language. A separate questionnaire, put together by Conradh na Gaeilge is enclosed with this questionnaire. We would ask that this questionnaire be filled in and returned with the Feasibility Study questionnaire.

Toisc go bhfuil Maigh Cuilinn mar chuid den Ghaeltacht, tá úsáid na Gaeilge fíorthábhachtach agus fíospéisiúil do mórán daoine sa pharóiste agus do na heagrais stáit a thacaíonn forbairt na teanga sa toadhchá. Tá ceistneoir faoi leith, curtha le chéile ag Conradh na Gaeilge Mhaigh Cuilinn, istigh leis an gceistneoir seo. Iarraimid ort an ceistneoir sin a líonadh isteach agus a thabhairt ar ais i dteannta le ceistneoir an Staidéir Fhéidreathachta.
